There were some issues with getting my proper name on the deed at closing, but that was Fidelity's fault based on the way they auto-filled my information into the mortgage application - I pointed this out to them and it was still my short name on the deed.

Is there something that you thought we did particularly well, and if so, what?

I think Kate is an outstanding realtor - she is very candid and she quickly identified what we were looking for. She didn't show us properties we couldn't afford.

Our experience with St. Augustine Realty was excellent. Our realtor, Kate Stevens, was wonderful. She directed us to outstanding properties that had the things we were looking for. She was honest and very knowledgeable about the market. We would definitely work with Kate again!
